MASSACHUSETTS DEPARTMENT OF FOOD AND AGRICULTURE

SPECIALITY PRODUCTS

DIRECTORY

ISSUE NUMBER 4

Dear Buyer,

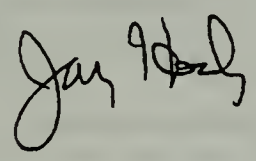
An amazing variety of Massachusetts speciality products await your discovery and enjoyment. As you peruse the pages of our directory, I think you will agree that there is something to please everyone looking to purchase special, high quality items. Many items are perfect for gift-giving throughout the year.

A gift pack of McIntosh or other Massachusetts-grown apples, along with maple syrup, preserves, and cheeses makes a unique gift that will brighten the holidays or other special occasions or any season of the year.

Speciality herb vinegars and honey, homemade baked products or wool products, unique dried flower arrangements-all of these and more are listed here. Many producers will mail order their products.

We hope you will take the time to read this directory from cover to cover. We guarantee you will find what you are looking for...or didn't even know you wanted. Please call us any time with your comments. We look forward to hearing from you.

With best regards,



Jonathan L. Healy
Commissioner
Massachusetts Department of Food and Agriculture
